This is the Personal Information Menu. Click on Update Address(es) and Phone(s).

If a cell phone number exists, it will show up on this screen under Phones. If you do not have a cell phone number listed, click on the hyperlink 'Primary' adjacent to Phones. It can be any of the addresses with the hyperlink Primary.

Pt. Lindata Address (as) and C. X.

This is the screen where you can enter your cell phone number.

Click on the drop down arrow under Phone Type and select Cell Phone.

9539(65) **27**071

Now enter the area code and phone number of your cell phone in the designated fields.

The cell phone number is entered...BUT INCORRECTLY! The entire 7 digit phone number must be entered into the field immediately following the area

The cell phone number is now entered correctly!

the second configuration of the

•

Now click Submit on the bottom left of the screen.

nivoreity of Louisiano

Vavior II

You are now returned to the Update Address(es) and Phone(s) screen where you can see the cell phone that has just been added. You can repeat these steps to enter multiple cell phone numbers, correct a cell phone number, or remove a cell phone number.
