College of Pharmacy

Technical Standards for Admission, Promotion, and Graduation

The Xavier University of Louisiana College of Pharmacy is committed to providing a high-quality education to all students. This document outlines the technical standards for admission, promotion, and graduation. It is intended to be used as a guide for students and faculty alike. The standards are based on the requirements of the Accreditation Council on Pharmacy Education (ACPE) and the National Association of Boards of Pharmacy (NABP). The standards are designed to ensure that all students who graduate from the College of Pharmacy are prepared to practice as pharmacists. The standards are divided into three main areas: academic, physical, and personal. Each area contains specific standards that must be met by all students. The standards are intended to be used as a guide for students and faculty alike. The standards are designed to ensure that all students who graduate from the College of Pharmacy are prepared to practice as pharmacists.
