## 7 - Public Information

---

Item III in the QA report applies to Criterion 7.1.a. in the *Unified Standards and Criteria* book.

Accredited business programs must routinely provide reliable information to the public on their performance, including student achievement.

1. Provide the link to your business program web page below. A link to Student Achievement must be on that/those page(s).

Provide evidence on the main business page website, or on business program websites, that demonstrate accredited programs provide information to the public on business student achievement. For example, evidence of business student achievement may include aggregate data by accredited programs regarding a minimum of two (not all) of the following business student achievement measures:

### a. Curriculum

List any existing accredited degree programs/curricula that have been substantially revised since your last report and, for each program, attach a Table - Standard 6, Criterion 6.1.3 - Undergraduate CPC Coverage, found under the Evidence File tab above.

List any new degree programs that have been developed and, for each new program since your last report, attach a Table - Standard 6, Criterion 6.1.3 - Undergraduate CPC Coverage found under the Evidence File tab above.

**If a program has met the requirements of having graduates and being in existence for at least two years, please contact ACBSP accreditation staff and request that the "Adding New Programs to ACBSP Accreditation" Project be added for your business programs.**

**Note: If you have a new degree at a level currently accredited by ACBSP, then report information on: student enrollment, program objectives, instructional resources, facilities and equipment, admissions requirements, graduation statistics, core professional components (CPCs), and the outcomes assessment process to ACBSP. If the new degree is at a higher level than what is currently accredited, the school must complete a self-study to add the degree.**

If the new degree is at a higher level than what is currently accredited, the school must complete a self-study to add the degree. New degree programs, majors or emphases must be in effect for at least two years and have graduates before accreditation will be granted.

If the new program is determined to be substantially different from other programs offered by the institution, ACBSP, at its discretion, may direct a new visit to be conducted. If, as a result of a new program visit, ACBSP determines that the overall quality of an institution is being diminished, the institution may be scheduled for a complete reevaluation.

**b. List any accredited programs that have been terminated since your last report.**

**c. Provide three or four examples of organizational performance results.** Report what you consider to be the most important data, **using Table 6.1 Standard 6 - Organizational Performance Results, found under the Evidence File tab above.** It is not necessary to provide results for every process.
